Açıklama:

The recently renovated and spacious apartment has an armchair with a TV for relaxation. A large built-in cupboard in the entrance area and a wardrobe offer enough storage space. There is also enough space for several people at the modern dining table. The highlight of the apartment is the cozy sleeping alcove with a queen-size box spring bed of 1.40 m and sockets near the bed. Darkening is possible using electric roller shutters. The eat-in kitchen is equipped with an additional folding table, a gas stove, a dishwasher and all necessary electrical appliances. Both the dishes and the cooking utensils are new. Both the toilet and the shower have daylight and are separated from each other by a door. NETFLIX and fast WiFi are included in the rent. A baby cot and high chair can be provided if required.
