This fantastic restaurant and entertainment / wedding venue is located on the outskirts of the town of Herrera, in the province of Seville, in Andalusia. In Herrera you can find all kinds of establishments and services, doctors, restaurants, schools, bars, good public transport, high-speed train station. At the entrance of the restaurant we find a garden area where the entrance to the upper part of the restaurant is located where the housing area is located, following the entrance we find a large summer terrace and the entrance to the restaurant, where you can access the restaurant dining halls, when crossing the dining halls we access a large fully equipped kitchen that has a large cold room, through the rooms we also access the toilets. Crossing the terrace we access a large wedding room made entirely of wood, equipped with toilets for men and women and a large kitchen, in addition to this room it has a large patio.
