This 3 bedroom, 2 bathroom apartment in Bayside Homes is a gated, modern and functional residential complex, perfect for everyday life. The development comprises 41 one-, two- and three-bedroom homes, distributed in two low-rise buildings: ground floor, first floor and second floor. There is also an attic floor in one of its portals. All the properties are south-east facing. Bayside Homes features 41 apartments and seeks to provide a perfect blend of design and comfort. Communal areas and spacious home interiors have been designed to make the most of ample natural light and to offer an exceptionally attractive product for enjoying the peace and quiet of the area. Spacious living areas have been designed with great attention to detail. Picture windows, large-format porcelain floor tiles and the orientation of the house allow for maximum use of natural light at any time of day. Not to mention magnificent terraces where you can enjoy stunning sunsets. Kitchens have been designed as an integral part of the living area to create a bright and spacious living space for all-day use. Specifications reflect the quality you would expect from such a high-quality project, with quartz countertops, fitted appliances and integrated LED lights to provide warmth and sophistication. In the bathrooms, the elegance of large-format porcelain tiles reflects our overall commitment to quality and design
