Açıklama:

This 537m2 build townhouse is located in the center of the famous town of Izna jar, in the province of Cordoba, Andalusia, Spain. This very large property at the entrance we find a hall through which you can access a living room with views of the street, a large ground floor bedroom, the main living room that leads to a toilet, the kitchen and a large patio. On the first floor there are two large bedrooms and a master bedroom with an en-suite shower room and a dressing room. On the upper floor there is a large attic space in which several rooms can be created. From the patio you can access a large basement and the another building that is on the property, which you can access from another street. Next to the main entrance there is a small commercial space that has a cold room and a toilet. This is a great opportunity to live in the tourist town of Izna jar with the opportunity to create a B&B in a typical yet very spacious Andalusian townhouse.
