When the quality of the house is not only aesthetic, We are committed to using top brand materials, carrying out the construction work in a careful manner and having excellent finishes. Modern from the ground up these new attached villas produce hot water, hot and cold air conditioning with a centralized aerothermal system, a clean way of generating energy. In the same way the underfloor heating is supplied with energy. Consisting of 10 attached villas with 4 bedrooms, 3-4 bathrooms, 1-2 toilets and an office. The corner villas have their own garden and private saline chlorination swimming pool. The central villas have the swimming pool on the roof terrace. The open and functional spaces are undoubtedly the protagonists of the houses, they connect us with the terraces and their beautiful views of the sea, golf course and mountains.
