Açıklama:

Classic property located at the beginning of Raimundo Fernández Villaverde street, a short distance from Orense and Paseo de la Castellana, it has an elevator and a beautiful façade (currently being cleaned) with balconies. For sale fourth floor with two balconies with splendid views, 127 m2 distributed in five bedrooms, two bathrooms, kitchen and living room. The design of the home allows an update of the original distribution while maintaining the 1920s style so characteristic of high-end homes of the time. Due to its height, it is bright and quiet, high ceilings, a privileged location in the Ríos Rosas-Nuevos Ministerios area with very wide views. The interior part has several windows to patios with good clarity. A classic apartment with personality.
