Açıklama:

A plot of 970 m² is offered for sale, located in a privileged and quiet area of Sitges — the Sant Pere de Ribes urbanization. The plot is surrounded by protected green zones and enjoys excellent transport connections: direct access to the C-32 highway, and proximity to prestigious international schools, sports facilities, and shopping centers. Construction of a residential house up to two floors is permitted on the plot, with a maximum building height of 8 meters above ground level. The building coefficient is 0.67 m²/m², allowing for the development of a spacious home with auxiliary structures and a generous basement. The plot has a slight slope and is fully connected to essential utilities: electricity, water, sewage, and gas.
