Weekend recreational plot for sale in the village of Peroj, near Fažana, in a highly sought-after and quiet location, only 500 meters from the sea and well-maintained beaches!

The plot is located in a recreational area, surrounded by legalized buildings, and is suitable for occasional stays. It is ideal for day relaxation, socializing, and enjoying nature.

Besides its excellent location, the land has additional advantages – city water and a septic tank are already available on the plot. The price includes a caravan located on the plot. It is also possible to purchase the plot alone without the caravan, in which case the price would be somewhat lower.
