Açıklama:

I am selling in the Menino Deus neighborhood, in an excellent location, differentiated apartment!

It has 2 large bedrooms, in front, with a perfect panoramic view, lots of sun and direct lighting in all its environments.

It has a living room for 2 environments, a kitchen with a separate service area and a social bathroom with direct ventilation.

The condominium with lean infrastructure has only a party room. Very well located, close to the Mãe de Deus Hospital.

Possibility of renting a space in the condominium. It does not have an elevator.

Condo fee: R\$390,00

IPTU (tax): R\$ 400.00 year.

Do not miss the opportunity to visit this property, for more information and to schedule a visit contact Cíntia Bulgari.
