Açıklama:

Nestled between the charming village of Luz de Tavira and Fuseta, and just a short walk from the unspoiled Ria Formosa and a 5 minute drive to Fuseta, this delightful 3-bedroom, 2-bathroom villa offers the ideal combination of comfort, privacy, and natural beauty. Set in a tranquil location along Portugals picturesque Algarve coast, the property is perfectly suited for full-time living or as a low-maintenance holiday retreat.

The villa is distributed over two floors.

On the ground floor, a charming vine-covered terrace welcomes you into a spacious open-plan living area, complete with a fireplace that efficiently warms the entire home. Off the living room, youll find a separate dining area and a well-equipped kitchen with direct access to the rear garden shaded by a magnificent 250-year-old oak tree.

Also on this level is a comfortable double bedroom and a full bathroom.

Upstairs, there are two additional bedrooms, a family bathroom, and a generous terrace that offers stunning landscape and partial sea views. The villa is surrounded by mature oak trees, fruit trees, and beautifully maintained gardens. A computerised irrigation system, fed by water from the dam, ensures easy upkeep. Theres also a large storeroom technical room ideal for garden tools, bikes, or extra storage. A mere 30 minute drive to Faro international airport. EPC Rating: B
