## ISLAND OF KRK, KRK - Attractive building land in beautiful Krk, 927 m2

A rare opportunity in the town of Krk, building land in a prime location. The plot is located in a dead end street, an exceptionally quiet area. Complete infrastructure will be next to the building land itself. The land has a regular shape and flat configuration, which facilitates the design and construction process. Ideal for investors or someone looking for a quiet place to build their family home!
