This permanently maintained house is located just a few kilometers from Heviz and is an excellent choice for both a summer home and for year-round living. The carefully maintained plot creates the perfect setting for relaxation and tranquility. The property can be heated with a cast iron stove and is equipped with a modern heating and air conditioning system, ensuring comfort at any time of year. Triple-glazed plastic windows provide excellent thermal insulation and maintain a stable temperature inside the house all year round. This property has an excellent price-quality ratio and is an ideal choice for those looking for a reliable investment at an affordable price. We will sell your apartment or house.

There is a choice of apartments and houses in various budgets, including commercial properties.
