Akasha is defined in Sanskrit as 'Ether', it is the material that fills the region of the universe above the atmosphere between Heaven and Earth. Perched in the Northern hills of St. Lucia with panoramic views of the Caribbean and Atlantic Ocean, the Akasha villa truly gives you an outer world experience allowing you to relax, rejuvenate, and recharge. Akasha is a modern contemporary villa that is unrivalled by any other accommodation on the Caribbean island of St. Lucia. We sleep up to 12 guests in complete luxury, notable features include a breathtaking infinity pool with amazing views of the Caribbean Sea, huge sunken living room, 4000 sq ft of terracing, dedicated home theatre and much much more. Akasha is nestled in the hills above above Cariblue Beach in St. Lucia, only minutes away from many beaches, restaurants and bars. From the infinity pool you will have sweeping views on the Caribbean Sea and other iconic St. Lucian landmarks – The Pitons, Pigeon Island, and Rodney Bay. Within a few minutes of the villa you could be playing golf, snorkeling, horse riding, kite surfing, and scuba diving. Stay at home for spa treatments or exercise with your personal yoga instructor. Our concierge service makes it easy to plan out your vacation with as many, or as few, activities as you would like. Adjacent to the property, and included in the sale price, is a 32,000 sq ft lot, offering incredible potential for expansion.
