Açıklama:

Sanctuary of Luxury and Ancestral Connection in the Heart of Tulum

This unique development is a haven designed for those seeking to reconnect with their roots and nature while enjoying contemporary luxury.

Nestled in a prime area of Tulum, it blends architecture inspired by Mayan culture with modern amenities to create an unparalleled sensory experience.

The units, ranging from 59.5 m2 to 208 m2, are meticulously crafted with natural materials such as Mayan stone, travertine marble, and artisanal wood. Each space reflects harmony and balance, featuring private pools, terraces, and relaxation areas to ensure privacy and comfort.

The property offers exclusive amenities like a temazcal, rooftop club, gym, yoga zone, and Kukulkan pool, all designed to promote physical and spiritual well-being. Its commitment to sustainability is showcased through drip irrigation and water capture systems, perfect for eco-conscious buyers who refuse to compromise on luxury.

With easy access to beaches, cenotes, and Tulum's vibrant cultural scene, this project is an investment in lifestyle, wellness, and a deep connection with the sacred.
