Açıklama:

Investment Opportunity: Multi-Unit Building Just Minutes from the Caribbean Sea

Tucked inside the peaceful and secure gated community of Bahía Azul, this 6-unit apartment building offers a rare opportunity to invest in one of Cancún's most sought-after areas — with strong rental potential and long-term appreciation.

Property Highlights:

- 6 fully independent apartments, each featuring:
- 2 bedrooms
- 1 full bathroom

Kitchen and open-plan living/dining area

Proven rental income: All units currently leased on 12-month contracts at \$12,000 MXN/month.

Annual rental income: Approx. \$864,000 MXN

Estimated ROI: 7.2% annually with long-term rentals (potentially much higher with vacation rentals).

Prime Location:

Just a 15-minute walk to the beach, with direct access to the Caribbean Sea

Located in a gated residential community with 24/7 security

Close to Puerto Cancún Golf Course, top-tier hotels, restaurants, supermarkets, and marinas

Additional Upside:

Proximity to the sea makes this a strong candidate for short-term vacation rentals, especially in high season.

Option to upgrade units into premium Airbnb suites or executive accommodations

Excellent capital appreciation potential as the area continues to grow

Surroundings & Accessibility:

Bahía Azul is part of the Benito Juárez municipality, just 1.7 km from Playa Puerto Juárez (also known as Playa del Niño), a quick 15–20 minute walk to the water. It lies approximately 7 km from Cancún’s urban center, with direct access to major roads and coastal attractions.
