Property with 430m2 of construction area in the heart of the historic center of Cascais, located on a plot of more than 690 m2, with the potential to be converted into a building with several independent apartments or a single-family house of unique dimensions.

Outside it has different leisure spaces, an annex, barbecue area and space for a swimming pool.

Just 600 meters from Cascais Bay and the cycle path, its location offers an exceptional mix of historic and contemporary. Divided into 3 floors, it has sea views from the top floor and a sun exposure that gives it unique luminosity.

Ground floor: living room with access to the garden, reading room with fireplace, office, kitchen, 3 bedrooms, 2 bathrooms and access to a mezzanine with bedroom, kitchen and full bathroom.

Upper floor: living room, dining room, kitchen, 4 bedrooms and 2 bathrooms.

Attic with ceiling height of 2.58 m in the center and 1.39 m at the ends, which allows its use.

Energy Rating: E
