Nestled on the peaceful hillside of Costaneira da Fóia, in the heart of the Monchique mountains, lies this magnificent estate waiting to be restored. With its unique atmosphere and unmatched charm, it is a true natural retreat with abundant water and vast potential.

The property features a granite stone building with 148 m² of gross area and an extensive plot of 60,120 m² equivalent to 6.012 hectares or 14.85 acres. Access is via a paved road leading directly to the entrance.

Excellent Sun Exposure Located in an area where silence is broken only by the sounds of nature, this estate offers breathtaking panoramic views of the mountains and natural light throughout the day.

Abundant High-Quality Water One of the greatest treasures of this property is its two pure water springs, a stream running along the edge of the land, and a well that not only holds water but can also be used to store water from the stream.

A Land of History and Beauty Structured in traditional granite terraces, the estate provides fertile soil and a natural setting ideal for cultivation or leisure.
