Bright and quiet apartment for sale on the fourth floor without elevator, located in Pasaje Gonzalo de Berceo, a privileged area with unobstructed views of the urban environment. The house has three bedrooms, a spacious living room, a separate kitchen and a full bathroom. Thanks to its orientation, it receives abundant natural light throughout the day, with privileged views of both the beach and the town. It is located in a very quiet street, with excellent connection to services and transport: schools and institute just 2-3 minutes walk, General Hospital very close, tram stop 3-5 minutes walk, quick access to the highway just 2 minutes by car, and the beach 5 minutes away. There are also nearby bus stops and three nearby parking areas. An ideal home to live with the family or as a profitable investment. Interested, contact us without obligation for more information or visit.
