Açıklama:

Step into this recently renovated villa, basking in sunlight from its southern exposure. Inside, find four cozy bedrooms spread across different floors. The open-plan layout connects the living, dining, and kitchen areas, which come equipped with modern Bosch appliances. The living room features a fireplace for warmth and ambiance, while every room stays cool with air conditioning. The house boasts elegant vinyl wooden flooring and LED lighting throughout.

Heading outdoors, you'll discover a pool perfect for swimming, with heating for those chillier days. There's a BBQ area and seating for al fresco dining, as well as a rooftop jacuzzi for relaxation. You can also enjoy games like snooker and table tennis in the backyard. Security is a priority here, with cameras and alarm systems in place for peace of mind.

Overall, this villa offers a comfortable and stylish retreat, ready for you to move in and make it your own.
