Açıklama:

Warehouse for sale located on urban land within the Torregroses Industrial Estate, regulated by the General Urban Planning Plan approved in 1990 and currently classified as grade 2 industrial land, level a (code IN2a).

It should be noted that the City Council has approved the Specific Modification No. 37 (MP37) of the PGOU, which proposes a change of use from industrial to residential, which makes this property an opportunity with great future projection both for current use and for medium-term investment.

The warehouse is in very good condition and has an office of 150 m² distributed over two floors, also in excellent condition. It has a pedestrian access door to the office and two large direct accesses to the warehouse, which facilitates operations. In addition, it is fireproof, which provides greater safety to the facilities.

A versatile property, ready to be used and with an added appeal due to its potential change of use.
