Açıklama:

This is a great business opportunity in Javea, acquiring this commercial property, which used to be a restaurant, but could be converted into a different concept if required.

The property is equipped as a restaurant and has 100m² as follows: spacious dining room with bar, kitchen and two toilets. Outside there is a terrace covered by an awning and parking spaces right in front of the door.

The place is located on the second line of the Arenal beach in Javea. Javea is a very popular and multicultural town with all services you need and plenty of amenities such as golf courses, aquatics sports, restaurants, bars, and nightlife. Javea is well known for its sandy beaches and its El Cap de la Nau and Cap de Sant Antoni natural reserve.
