We offer for sale: 1 bedroom apartment in the residential complex "Vista Verde"

"Vista Verde" is a new premium residential complex without analogues in Burgas! The project combines refined architecture, modern style and the highest quality of execution, creating harmony between comfort, aesthetics and functionality.

The complex is located in one of the most prestigious areas of the city — on the border between Slaveykov and Bratya Miladinovi quarters, right next to a green park and close to the center and the Sea Garden. Nearby there is the Galeria shopping center, supermarkets, schools, kindergartens, universities and hospitals — everything that is necessary for the modern urban rhythm of life.

Vista Verde offers stylish studios, two- and three-bedroom apartments, offices, commercial premises and parking spaces. All apartments are transferred in a state of "finishing", while it is possible to order a turnkey completion according to an individual project.
