New Homes in Fuengirola!

Residential project located in Fuengirola (Malaga), one of the most emerging areas of the Costa del Sol.

Due to its elevated layout, this project of 36 apartments, enjoys stunning panoramic views of the Mediterranean Sea.

Each living-dining room provides the comfort of bright and airy open spaces. This functional design provides the rooms with great luminosity favouring the well being that we all seek.

Taking care of body and mind are a common characteristic of the Mediterranean lifestyle, therefore, spaces that generate well-being expand from the residential to the communal areas. The residential complex features a lounge area, a separate "adults only" pool and a children's pool, plus garden and relaxation areas to unwind. A communal room for recreational gatherings complements the communal areas.
