An outstanding 2-room apartment with a spacious balcony in the new project "Vītoli Parks" – where nature and comfort come together!

For sale is the excellent apartment No. 12, located on the 3rd floor of building 1, with a spacious balcony and bright windows. Almost 30% of the apartments in the project have already been sold – hurry up while the best apartments with beautiful views and the most sunlight are still available.

Vītoli Parks is a modern and family-friendly neighborhood where nature meets comfort in harmony. This place is designed for an active lifestyle – walking, cycling, or relaxing in the fresh air, while being very close to the city center and shops. Parking spaces are located on the edges of the neighborhood and underground, freeing up space for spacious, well-maintained courtyards with lots of greenery and a safe environment for children.

The apartments feature floor-to-ceiling windows, large balconies and terraces, Class A energy efficiency, underfloor heating, and a high-quality ventilation system with heat recovery. Each building has an elevator and electric car charging facilities, creating a truly modern and comfort living environment.

Vītoli Parks offers the opportunity to enjoy a peaceful and green lifestyle without leaving the city.
