Beautifully Renovated Villa Combining Traditional Character with Modern Comfort

Completely renovated and thoughtfully extended in 2022, this beautifully presented villa offers the perfect balance between traditional Algarve character and contemporary living. Set within a peaceful location close to Almancil, the property has been redesigned to provide bright, comfortable living spaces while retaining the warmth and charm that make this style of home so appealing.

The heart of the villa is the spacious open-plan living area, where the lounge, dining space and fully equipped kitchen come together to create a sociable environment for everyday living and entertaining. Large glazed openings fill the home with natural light while providing an effortless connection to the terraces, gardens and swimming pool.

The villa offers four well-proportioned bedrooms together with stylish modern bathrooms, creating a practical layout for both family living and visiting guests. High-quality finishes, underfloor heating, air conditioning and double glazing ensure year-round comfort, while fitted wardrobes and carefully planned storage enhance the home's functionality.

Outside, the landscaped gardens have been designed for easy maintenance, with automatic irrigation supplied by the property's borehole and water cistern. The private swimming pool features integrated jacuzzi seating, creating the perfect place to relax after a day enjoying the Algarve sunshine, while generous terraces and the barbecue area provide excellent spaces for outdoor dining and entertaining.

Additional features include a solar energy system, electric shutters, electric entrance gates, video entry system, security alarm, garage and an Energy Rating of A, combining traditional charm with modern efficiency.

Ideally positioned just minutes from Almancil, Quinta do Lago and Vale do Lobo, the villa enjoys easy access to championship golf courses, beautiful beaches, excellent restaurants, international schools and Faro International Airport. Whether you're searching for a permanent residence, holiday home or investment property, this is a home that offers comfort, privacy and an exceptional Algarve lifestyle.

We have included 3 illustrative images at the end of the gallery that show a potential garden and outside seating area that could be easily created on the plot if so desired. - REF: 252
