The apartment is situated on the 4th and top floor of a modern 4-storey building, which comprises only 9 apartments in total, offering a sense of privacy and exclusivity.

Upon entering, you are welcomed into a bright and spacious open-plan living, dining, and kitchen area. Large doors open onto a covered veranda, providing a comfortable outdoor extension of the living space.

A major highlight of this property is the private roof garden of approximately 40 sq.m., accessible directly from the veranda via a staircase.

The apartment features two well-sized bedrooms, including a master bedroom with an en-suite bathroom. A separate family bathroom serves the second bedroom and guests.

Further benefits include a covered parking space and a private storage room, providing additional practicality and convenience.

With its modern layout, top-floor position, private 40 sq.m. roof garden, limited number of apartments in the building, and excellent location, this property is an ideal choice for permanent residence, a holiday home, or investment in Larnaca.
