We are delighted to present to you this fantastic townhouse, located in the popular area of Ciudad Quesada and just a short walk from many amenities including bars, restaurants, shops and more. The property is not part of a community but there is the municipal swimming pool of Ciudad Quesada just a few minutes walk away and its free to use in the summer months!

The property is accessed from two sides, the main entrance and the rear entrance where you have the garage and seperate apartment. In the main entrance you have a large and sunny terrace with plenty of space for enjoying the sunshine and entertaining. There is a closed terrace area which is nice for the winter months, and from here you enter into the main living room. You have a closed seperate kitchen, and two large bedrooms with a very spacious family bathroom.

From the kitchen, you exit to the small rear terrace with lovely views to the lakes and sea and sunshine in the afternoon. Underneath the townhouse you have a garage with a large storage space, and a seperate apartment – perfect for visitors or for family members who would like their own space! The apartment has a living room with a kitchen, a bedroom and a bathroom.
