At IAD, we share business with any real estate agent or agency. We promote properties on over 250 national and international real estate portals. If you are a professional in the sector and have a qualified buyer, contact me and schedule your visit.

Founded in France in May 2008 by three experts in the real estate sector, iad was born from a visionary concept that fuses real estate, web, and network marketing. iad aims to dematerialize agencies (stores), fostering a closer relationship between real estate consultants and clients, providing a more competitive service to those looking to buy, rent, or sell a property.

What does the 21st-century client look for when deciding to buy, rent, or sell a property? They're looking for a comprehensive, straightforward, and competitive service. That's what we offer at iad. We don't have stores; our consultants come to you, with access to the latest industry training and a platform of exclusive tools that allows them to provide the best service wherever you are. We give our consultants the flexibility and autonomy necessary to ensure personalized support throughout your transaction.
