Apartment in Largo do Pioledo, in the heart of Vila Real. Located in a prestigious building with 2 elevators, the apartment has been renovated and is sold fully equipped and partially renovated. Upon entry, you'll find a large hall with a built-in coat rack and shoe rack, which divides the apartment into bedrooms, living areas, and laundry areas. The bedrooms feature 5 bedrooms, all with large windows, providing plenty of light and panoramic views of the mountains and city. There are also 2 full bathrooms with shower enclosures. The living area features a huge 42 m2 living room. The laundry area features a fully equipped kitchen with a 3 m2 pantry with wooden shelves, a maid's room, another full bathroom with shower enclosure, and an enclosed porch for the utility area.

Also included is the property, which occupies 1/16 of the building's doorman's house. The apartment is an excellent option for a large family, with all logistics facilitated by the property's central location. However, being a student city, with UTAD right on the doorstep, this property is poised to achieve a 7% return, with almost all the necessary equipment and furnishings already present. The condo fee is only R\$5 per month.
