I present an excellent investment opportunity in Aveiro: a house with a rehabilitation project already approved by the Municipal Council, located in a quiet and well-situated residential area in Oliveirinha, just a few minutes from the city centre.

Note: The property is sold in its current condition, including the approved project. Construction works are not included.

The property consists of two separate titles:

Urban Property – Full Ownership (1/1)

Gross construction area: 143.99 m²

Approved project includes:

- * Open-plan living room and kitchen
- * 2 bedrooms (1 en suite)
- * 2 bathrooms
- * Laundry in an external annex
- * Garage and side gardens

The property is currently in ruins, offering the perfect setting for a personalised rehabilitation.
Energy Certificate: F.

Rural Property – Full Ownership (1/2 indivisible share)
Agricultural land with 1,400 m² (sale of half share)
Located in front of the house's yard, extending to the stream
Ideal for a garden, vegetable plot or leisure area.

Key Features:

- * Approved project – ready to start construction
- * Quiet area with excellent sun exposure
- * Possibility of financing purchase together with construction (subject to bank approval)
