A large closed garage plot of 38 m² is for sale, ideal for those looking for space and functionality in the same place. It has capacity for two vehicles and has a practical mezzanine of 16 m², which is comfortably accessed by a spiral staircase, perfect as an additional storage area.

The space is equipped with shelves and cabinets, allowing for organized storage of tools or utensils. In addition, it includes its own sink within the plot and independent light, which adds comfort and autonomy to the use of the space.

A versatile and very complete option, both for personal use and for those who value order and security in parking and storage.
