Açıklama:

In a fabulous riverside location, situated on its own private island, accessible by its private bridge bordered by 4 stone pillars, a magnificent refined 17th century property on 1.3 HA with a superb swimming pool with extraordinary poolhouse. Leaning against an old mill, this grandiose family home of 500 m2 of living space, with high-end services and finishes, offers its inhabitants several reception rooms (including one of 90 m2 upstairs), a beautiful well-equipped kitchen, 2 dining rooms, 7 large bright bedrooms, 4 bathrooms, 2 offices. From each room there are beautiful views of the river and its waterfall. Around the pool you would think you were in a luxury hotel! From the large terrace around the 12/6 m heated salt pool, you can see the carp and trout swimming in the river below. An old shed has been transformed into a spectacular poolhouse/games room/relaxation room which directly adjoins the pool terrace. Have breakfast or invite friends for dinner around a table along the river, multiple well-hidden corners and shaded by the rich and mature nature around the property offer plenty of possibilities. A life of luxury in a dream location!!
