Açıklama:

In the centre of Chabrac, fantastic opportunity - the barn, with land and two building plots. There are two access for the property one from the road leading to the barn and one into a field. The barn has a good roof with no asbestos, electrics and water meter. There are two large plots to build a properties on. There is possibility to build as well on the barn. Great opportunity also build a house, barn and have horses/live stock.
