Açıklama:

Located in Champigny-sur-Marne (94500), this plot of land is attractive due to its prime location in the heart of the city. Renowned for its dynamism and quality of life, Champigny-sur-Marne offers a pleasant living environment, combining amenities and tranquility. Close to shops, schools, and public transportation, this attractive neighborhood will meet the needs of future homeowners seeking everyday convenience. Furthermore, its proximity to green spaces such as Tremblay Park invites you to enjoy relaxing moments surrounded by nature.

With a living area of 307 m², this plot, presented as DM n°56-151 Lot A, offers a great opportunity to realize a tailor-made real estate project. Its undeveloped layout allows buyers to give free rein to their imagination and create the residence of their dreams, tailored to their needs and desires. Benefiting from a calm and residential environment, this land offers definite potential for the construction of a unique and personalized property, in an ideal setting to flourish in complete tranquility.
