Açıklama:

With mature trees and plants and a large fish pond this house is a gardeners dream. A feature minstrels gallery provides unique and quirky living space. The main bedroom wing has a large seating area, which could be used as an office or social space. The views from here across the garden and fields is divine. Two further bedrooms (each with their own shower room) have potential to provide an income if desired (subject to necessary permissions). The living space downstairs is spacious and the new log burner in the sitting room provides warmth in the colder months. There is a small cottage with the property currently used for storage and a fabulous social area. There is potential to develop and create guest or gite accommodation (subject to necessary permissions). An ideal location for all amenities this one is not to be missed.
