### Açıklama:

Situated around a central courtyard with pool and terraced areas, is this ensemble of properties consisting of a large, recently renovated house which would serve both as a generous 4-bed family home suitable for multi-generational living, or as an opportunity to generate income by closing off the 2-bedroomed annexe with its 68m<sup>2</sup> first floor living/games room. The main section of the house comprises a newly-fitted, eat-in kitchen, off which is a shower room and corridor leading to the master bedroom with en suite shower room and WC; stairs lead down to a basement snug, bedroom and utility room/cellar. Back up to ground floor level, the kitchen leads on to a 70m<sup>2</sup> living room with separate dining and seating areas - the woodburning stove being the focal point of the latter and a 27m<sup>2</sup> multi-purpose mezzanine level completes the space. There is a further 2-up, 2-down house which requires full renovation (subject to necessary permissions), but which could further enhance the potential of this charming property. The grounds of just over 3000m<sup>2</sup> contain various seating areas from which to enjoy the sun or shade from morning to evening, whilst enjoying the truly exceptional views, plus independent garage with parking.
