Cebaco Island, a beautiful and unique destination located in Panama.
9 ocean front plots of land.

Prices from 275.000 USD up to 3.000.000 USD

Plots size from 28.207 sqm up to 219.000 sqm.

And another massive plot (10) with 53 hectares P.O.A.

This Island is accessible by boat or by flying into the nearby city of David and taking a ferry.

Investing in a hotel on the Island could be a lucrative opportunity.

As it has a enormous potential as a world class eco-tourist destination. On the property there is an airstrip of more than 400 meters with grass used by one of the former owners where you can land planes of 6 to 12 passengers type islanders, kodiak, Twin otter.

The advantage of possessory rights is that they pay no property tax whereas titled land pays between .75% and 1.75% depending on the value.

Please do not hesitate contacting me for further information about Cebaco Island.
