Açıklama:

The condominium Jardim da Glória grows in the city, paints Graça in green, opens up more space for life and more time for yourself. It is the garden Graças neighbourhood did not know it owned. It benefits from it own garden, a playground, an outside swimming pool as well an inside wave pool, along with a sauna and a steam room.

Beco dos Peixinhos is a well-kept secret tucked away in a secluded corner of Jardim da Glória. Ground floor apartments feature shaded terraces and cozy private gardens and every unit turns itself to its exterior spaces and lush landscapes beyond them. The buildings sun exposure highlights this feature, with the back façade sporting broad glass windows.

The building offers 6 one-bedroom configuration apartments while its top floor hosts an exclusive two-bedroom unit. All of them have a parking spot included. Beco dos Peixinhos asserts itself as the ultimate Lisbon pied-à-terre, an invitation to step outside and enjoy the citys almost 300 days of sun per year.

This is one of the three apartments still available. It benefits from a terrace and a private garden. It has one bathroom and a laundry room.
