Açıklama:

O Pipo Restaurant has history and soul. Every day welcomes those who pass through the heart of Portimão, between the movement of the City Council and the charm of the Riverside Area. Here live memories of business lunches, afternoons with friends and nights filled with flavours that want to be repeated.

Now a new opportunity opens up. Pipo is looking for someone to continue this success story.

There is a fully operational restaurant in Largo Heliodoro Salgado, one of the most privileged locations in the city. The space is ready to receive its next customers from day one, allowing a simple, fast transition with immediate return.

Property features:

- Fully furnished and service-ready interior
- Outdoor terrace with tables and chairs
- Covered internal area for greater customer comfort
- Fully equipped professional kitchen
- Bathroom
- All equipment and furniture included in the transfer

Condition and conditions:

The establishment has been recently renovated, is in excellent condition and is ready for operation. No

additional works or investments are required.

Strategic location:

Located in a prime area of the historic centre of Portimão, with a high daily flow of people. Very close to public services, shops, parking and the main tourist attractions. Excellent visibility and accessibility, ensuring constant movement of residents and visitors.

Business potential:

The ideal space for those who want to start or expand their investment in restaurants. Pipo offers an already loyal clientele and a consolidated point with high profitability potential.

This is the opportunity to grab a business that you already know how to receive, serve well and grow. It is enough to continue everything that is already celebrated here every day.
