Açıklama:

This stunning semi-detached home, with a gross area of 255 m², will be delivered in August 2026 and stands out for its contemporary design, comfort, and high energy efficiency.

Spread over four floors, the house offers a functional and welcoming layout:

Basement: Garage with space for one vehicle and a versatile lounge area, ideal for creating a pleasant leisure or social space.

Floor 1: Spacious open-plan living and kitchen area, perfect for family time or entertaining guests. This floor also includes a comfortable suite, a guest bathroom, and outside, a stylish heated pool surrounded by a low-maintenance Mediterranean garden. A barbecue area and outdoor dining space complete this unique leisure zone.

Floor 2: Three well-distributed bedrooms, one of which is a spacious suite with a walk-in closet. The remaining bedrooms are served by a modern and functional bathroom.

Floor 3: A second lounge designed for relaxation, equipped with a jacuzzi and access to a practical storage room.

Among the various high-quality features and finishes, the property includes double glazing, thermal and acoustic insulation, and air conditioning. Sustainability is a key focus, with solar panels, pre-installation for photovoltaic panels, and electric vehicle charging, ensuring excellent energy performance.

Designed with everyone in mind, this home also includes access adapted for people with reduced mobility, promoting comfort and accessibility throughout.

A unique opportunity for those seeking quality of life, modernity, and efficiency in a prime location.

Energy Rating: A
