Açıklama:

Zadar, Crno – Stone House with Tavern and Large Garden In the village of Crno, just ten minutes from the center of Zadar, lies a unique stone house with thick walls that provide durability, stability, and authentic Dalmatian character. It sits on an almost 800 m² flat, fully fenced plot in a peaceful setting, yet in an excellent location — close to a school, a shop, and only five minutes from the airport. The interior is warm and spacious, featuring a large living room where the fireplace creates a special atmosphere. The living area is naturally connected to the kitchen and dining room, and the house offers three bedrooms and a fully equipped bathroom. It is air-conditioned, well maintained, and ready for immediate occupancy, and it has occasionally been used for tourist rental. On the property, there is a stone garage, a tavern perfect for gatherings, and a practical utility building for tools. The yard accommodates several cars, and the large, flat surface offers excellent potential for a future pool or additional amenities. All documentation is in order, and the house is an ideal choice for those seeking a combination of tradition, modern comfort, and a practical location for everyday living or tourism.
