ZADAR, PODVRŠJE - Land with a sea view in a peaceful environment!

For sale are two extremely attractive plots of 500 m2 and 800 m2, a total of 1,300 m2, located in a quiet location with a beautiful view of the sea and Ljubač.

The plots are surrounded by luxury villas that further emphasize the exclusivity and potential of this area. Access is provided by an asphalted road, and electricity and water are available directly on the field.

The property is neat.

The plots are sold together, but it is also possible to buy them individually, which makes them an ideal opportunity for investors, building a villa with a pool or a quiet home in a natural environment. In the immediate vicinity are Pag, Nin and Zadar, which makes this location a perfect combination of peace, nature and proximity to all the necessary facilities. For any additional information or a tour of the field, feel free to contact us.

Dear clients, the agency commission is charged in accordance with the General Terms and Conditions: www.dux-nekretnine.hr/opci-uvjeti-poslovanja
