These beautiful new-build apartments are located in a modern and stylish residential complex, just a short distance from the vibrant town of Torreveja, in an excellent location on the Costa Blanca South. The project offers 2 or 3 bedroom apartments, designed to maximise space, natural light and comfort. All properties feature spacious terraces, ideal for enjoying the Mediterranean climate all year round. For those seeking something extra, exclusive penthouses are available at an additional cost, offering breathtaking views over the salt lakes, a truly unique natural setting.

The residential complex boasts high-quality communal facilities, including a beautiful communal swimming pool, landscaped gardens, fitness area, wellness zone with sauna, and paddle tennis courts, providing a perfect balance of relaxation and active living.

Thanks to its prime location just 2 km from the centre of Torreveja and close to a large commercial centre, this development combines peace and convenience with all amenities nearby. This makes it an excellent choice for private use as well as a strong investment opportunity with high rental potential. A unique opportunity on the Costa Blanca South for those seeking quality, location and lifestyle.
