Açıklama:

This Patio Rojo house for sale is situated in one of the friendliest streets in Olvera, the house needs finishing off, and a quote can be obtained to finish it off, The house is all brand new construction with all the materials of the best quality many of the tiles needed to finish off the build are included in the price and are on site.

The large patio to the rear of the Patio Rojo house, has all been finished and looks great, a good sized house with lots of potential to create the home of your dreams. Would suit a builder who would be able to easily finish everything off.
