Istria, Rovinj, surroundings

Not far from Rovinj, where you can experience the best tourist offerings, lies this renovated stone house. It is located in a small place close to all amenities.

This beautiful renovated house is set on a plot of 697m2. The house has a usable area of 135m2 and consists of a ground floor with a separate kitchen, a living room with access to the terrace, and a guest toilet. On the first floor, there are two bedrooms and a bathroom, while in the attic there is another bedroom with its own bathroom. The decoration of this house exudes history, as the current owners have put in a lot of effort to restore the furniture found before the renovation, giving it a new life.

It is worth mentioning that the house's plot includes a pool with a sunbathing area and terrace, as well as enough space for parking three cars. There are also two storage rooms and a small garden for growing vegetables. Behind the house, there is an additional 200m2 of green area.
