Roomy and Well-Equipped Living Space This condo is really something if you need space and a bit of luxury without jumping into a full house. It's on the 8th floor, giving you some nice views, and with 7 bedrooms and 8 bathrooms, it's perfect for a big family or if you want extra rooms for guests or work-from-home setups. Kitchen That Works for You The kitchen's got a clean, bright feel thanks to white cabinets and glass-front doors. You'll find a large stainless steel fridge, built-in oven and stovetop, plus a central island with storage and a hanging rack for pots—makes cooking feel functional and a bit special. The polished stone floors and pendant lights above the island add a polished touch. Bathrooms and Comfort Multiple baths include some nice features like a clawfoot tub, walk-in glass shower with rainfall showerhead, and toilets with bidet sprays. Vanities have mirrored wooden cabinets and good lighting, so getting ready is easy and comfortable. Details and Atmosphere Wood plank flooring and black & white tiled floors give character. Built-in wardrobes with mirrors make storage easy. Warm wall sconces and recessed lighting create a cozy vibe. Decorative rugs and a four-poster bed add a bit of charm. Comfortable living area with an upholstered sofa and mounted TV. With 5 garage spaces and freehold ownership, this place balances practicality and style. It's a resale, so it has a lived-in feel but well-maintained. If you're looking for space and thoughtful details, it's worth coming by.
