Açıklama:

PRIVILEGED PLOT WITH GREAT POTENTIAL

Magnificent 1,562 m² urban plot for sale, ideal for building a detached house with views of the Rock and the sea from the first floor, and panoramic views of Moraira Bay from the second floor. The plot is practically flat, which facilitates construction, although a small amount of levelling or excavation work may be required depending on the project. It is located in a high-end residential area, consisting mainly of luxury villas and large plots, offering privacy and serenity.

Its dimensions and characteristics allow for the development of a modern and functional project, with spacious interior and exterior areas, landscaped gardens and a private swimming pool. Great potential to build your dream home or an investment property with high appreciation value.

A perfect opportunity for those seeking tranquillity, spectacular views and proximity to amenities on the Costa Blanca.
