Açıklama:

Complete file available after telephone conversation.

In the heart of the village of Plassay, between Saintes and Rochefort, discover this building plot of 1,137 m², ideal to realize your construction project in a quiet and sought-after environment.

With a beautiful facade of about 25 meters and a depth of 41 meters, this land offers many possibilities for setting up a custom house.

- ? Building plot, excluding subdivision
- ? Networks on the edge (services to be planned)
- ? Free from all builders

Located in the immediate vicinity of amenities and with school within walking distance, it is an ideal location for a main residence or family project.

Anne-Gaëlle's opinion: A plot of land like this in the town center is rare: a beautiful surface, a good layout and above all the freedom to build according to your desires.
