#### Suweta Complex — Modern Tropical Living in the Heart of Ubud

Suweta Complex is a premium residential and investment community located in the lush heart of Ubud, Bali. Designed to merge serene nature with modern comfort, the complex features a curated collection of villas and apartments surrounded by jungle views, rice terraces, and Bali's most iconic cultural landmarks. With only 19 exclusive units—including two-, three-, and five-bedroom villas, as well as stylish apartments and a panoramic penthouse—Suweta offers a low-density living environment perfect for both long-term stays and high-yield rental opportunities. Its location, just minutes from Ubud Center, PARQ, and the Pyramids of Chi, provides ideal access to Bali's tourism hotspots while preserving tranquility and privacy.

The development is purpose-built for investors seeking strong returns in one of Bali's fastest-growing markets. Ubud continues to lead in occupancy, rental growth, and demand due to its year-round tourism and significantly lower land costs compared to coastal areas. Suweta Complex enhances this advantage with fully furnished units, professional property management, and premium amenities such as a gym, yoga chalet, coworking areas, communal and private pools, and an on-site restaurant. With guaranteed high occupancy, competitive rental rates, and projected ROI ranging from 18% to 25% annually, Suweta Complex stands out as one of Ubud's most compelling property investment offerings.
