This land in Chania Crete for sale is situated in the charming village of Stylos, in the heart of the Apokoronas area. The plot has a total surface of 5.373,46 m2 and enjoys lovely open views of the Cretan countryside and surrounding mountains, offering a tranquil and authentic environment.

The property includes a building permit for two traditional stone villas, with a total approved building area of 203,44 m2, making it an excellent choice for a private retreat, holiday homes, or a rental investment.

The land benefits from easy access via a well-maintained road, while all essential utilities are available nearby, ensuring convenience during construction. Its location combines peaceful village living with proximity to key destinations, being a short drive from Chania town and the crystal-clear waters of
